Artists At Heart Clay Parties

Air Dry Clay Parties

\$150 for up to 8, \$15 per additional person

This clean, colorful clay alternative makes it easy to provide a creative party for your child and guests. Because air dry clay requires no firing, your guests will be able to take their creations with them.

Clay Parties

\$150 for up to 5, \$25 per additional person

At an Artist at Heart clay party, guests will use many techniques and tools to create a variety of projects. In 3-5 weeks (for drying and firing) Artists At Heart will deliver finished artworks to the host's home.

Artists At Heart Wheel Parties

Wheel Parties

\$250 for up to 6, \$35 per additional person

In addition to everything in the Clay Party, each guest will throw a pot on the potter's wheel. Guests will glaze their pieces and Artists At Heart will fire and return them to the host.

Wheel Rental

\$175 2 hrs + \$50/hr after

Everyone gets to experience throwing on the wheel. Pieces are recycled - this is just for the fun of it! For those who wish to keep their piece, we will glaze and fire it for an additional fee. Great for promotional events and parties.

Clay Classes

Artists At Heart will teach your group in one or more sessions. Classes are custom designed to meet your budget and schedule. Or take private or semi-private lessons at our studio in Lehighton.
