Hostess Parties

Want a fresh idea for a get together with friends? Tired of the high-pressure sales parties where you are guilted into buying things you don't want or need? Try something different - invite your friends to a Make-Your-Own Jewelry Party.

Fundraising Parties

Have a worthy cause or charity you'd like to help? Host an Artists at Heart Jewelry-making party to benefit your favorite charity. Instead of free gifts for yourself, the charity will receive a check for each item made and all items sold. Your supporters can have a wonderful time making a keepsake they will treasure, while raising money for a great cause.

Girl Scouts, Schools, and Day Care Centers

Artists at Heart offers discounts for neighborhood nonprofit civic and church groups. We offer several programs including Air Dry Clay Parties, Bracelet Parties, and Clay Parties at rates starting at \$15 per person, minimum 8 people. We are happy to provide the parties as an opportunity to fund raise for your group.
